On 08/22/2018 13:00 the defendant was arrested for the offense(s) of:

9	08/22/2018	FORGERY	76-6-501(2)	UT	F3	No

I believe there is probable cause to charge the defendant with these charges because:

Within the last 90 days agents with the Utah Attorney General's Office were made aware of a male suspect distributing a controlled substance, to wit methamphetamine, in the Summit County area. Beginning on June 11, 2018 through August 22, 2018 Your Affiant, utilizing an undercover officer, has been able to purchase methamphetamine directly from the suspect, Pedro CARLON-RANGEL on five (5) separate occasions.

Within this same time period Your Affiant was made aware that CARLON-RANGEL was using a fraudulent Social Security card and a fraudulent US Permanent Resident Card for employment. A copy of CARLON-RANGEL's I9 and W4 form were obtained his employer. The employer also provided me with a copy of the Social Security Card and the US Permanent Resident Card used by CARLON-RANGEL to gain employment. A check with The Department of Homeland Security and The Social Security Administration - Office of the Inspector General, found that both the Social Security number and the alien number CARLON-RANGEL was using on the forms did not belong to him. Both numbers were verified as belonging to either US citizens or a US Permanent Resident. Upon checking with the Utah Department of Workforce Services I discovered that CARLON-RANGEL had made well in excess of \$5,000 USD over the last four (4) years using these numbers.

On August 22, 2018 Your Affiant took CARLON-RANGEL into custody following the sale of methamphetamine to an undercover officer. While searching CARLON-RANGEL, subsequent to the arrest, a small baggie of cocaine was found on his person.
