ASSET SEIZURE NOTIFICATION FORM – NOTICE OF INTENT

Name: Big Dog Pawn & Jewelry of Murray, Inc.

Address: 6610 South State Street, Murray, UT 84107

Date of Seizure: 06/19/2018

Agency Case Number: 18-46

Location of Seizure: 6610 South State Street, Murray, UT 84107

In accordance with Utah Code Ann. § 24-4-103(1), you are hereby notified that the following property has been seized for forfeiture and will be held pending further order of the court or a final determination of forfeiture:

1. See attached documentation for items seized:
Big Dog Warrant 102
2. This property was seized because a peace officer had probable cause to believe that the property was used to facilitate the commission of a federal or state offense or is proceeds of criminal activity as provided in Utah Code Ann. § 24-4-102. As outlined in Utah Code Ann. § 24-4-103(2) the seizing agency shall present a written request for forfeiture to the prosecuting attorney. Thereafter, the prosecuting attorney may elect to file a forfeiture action against the seized property as part of a criminal case or in a separate civil complaint. If the forfeiture action is filed as a criminal notice of forfeiture, it will be included in the criminal information or indictment in the associated criminal case. You will receive notice of the criminal forfeiture proceeding if criminal charges are served upon you or by publication. Forfeiture may be pursued pursuant to Utah Code Ann. § 24-4-101 et seq. and Utah Code Ann. § 76-10-1108. It may be filed under Utah Code Ann. § 24-4-105 as a criminal forfeiture action or under Utah Code Ann. § 24-4-104 as a civil forfeiture action.
3. Regardless of forfeiture proceedings, the property or some portion of it, may be retained as evidence until disposed of in Utah Code Ann. § 24-2-103.

If the forfeiture action is filed in the district court as a civil, in rem, complaint for forfeiture, it will be filed within 75 days of the date the property was seized for forfeiture. A copy of the complaint and a summons will be served on you either by mail (at the address you have provided above), personal service, or publication. You will then have 30 days to file an answer to the complaint with the court and the prosecuting attorney. Thereafter the prosecuting attorney will send you a request for information about the seizure of property, which you will be required to answer in detail within 30 days. If a judgment of forfeiture is entered by the court against all or part of the listed property, the property will be turned over to the Utah Commission on Criminal and Juvenile Justice for distribution through the State Asset Forfeiture Grant Program.

In an asset forfeiture proceeding, you have *inter alia* the following rights and obligations:

- An innocent owner's interest in property may not be forfeited.
- You may petition the court for expedited release of some, or all, of the above property for hardship reasons, if good cause can be demonstrated.
- You may be able to obtain release of some, or all, of the above property, by posting a surety bond with the district court that is equal to the fair market value of the property.
- You have a civil right of action if the property is destroyed, lost, damaged, or otherwise injured while in the possession or custody of the agency.
- You have the right to a trial by jury in forfeiture proceedings.
- If you contest the forfeiture proceeding and lose, you, or your property, may be held liable for all costs associated with the legal proceeding, including costs of maintaining and storing the property, pending the final outcome.
