### Chief Jack D. Carruth, South Salt Lake PD

On March 31, 2008 tragedy struck the City of South Salt Lake, when seven year old Hser Nar Moo was reported missing. Within 30 minutes the Attorney General's Office and C.A.R.T Members were arriving at our Police Department, and within hours we had over 100 additional personnel in the City of South Salt Lake. It was the coordinated deployment and expertise of the Utah C.A.R.T that resulted in the quick recovery of Hser Nar Moo's body and the identification of her abductor.

The South Salt Lake Police Department is proud to be an original member of C.A.R.T and will continue to support the mission of the Utah Child Abduction Response Team with every child in mind.

### Chief Kevin Thacker, Sandy City PD

These men and women are the best of the best! They responded to our request quickly, worked alongside our employees, and they helped us bring our case to a successful conclusion much quicker than we could have without them.

### Chief Ron Kirby, Tooele City PD

The response and efforts of Utah C.A.R.T. are fast and effective. The system works!
