## JANUARY VIRTUAL NALOXONE TRAINING

### JANUARY 10, 2023 12-1PM

#### AGENDA

**12pm-1pm - Basic Naloxone Training** for community members to learn when and how to use a Naloxone Rescue Kit to rescue someone from an opioid overdose (End Users). This class will not prepare you to teach others when to use naloxone.

**\*Spanish Interpretation will be available\***

Pre-register for the training event, attend the virtual training, and we will send you a BEANIE, a free injectable naloxone rescue kit and bumper stickers so people will know you care about saving lives around you. All information collected is completely confidential.
